

BROOKDALE ESTATE  
Bradbourne 2022

*White Blend*

VINTAGE CHARACTERISTICS

The 2022 vintage will be remembered for a cool season before harvest, followed by a sudden temperature spike from January. Good vineyard practices were followed, and canopies were managed well, which delivered exceptional grape analyses and wine quality. Temperatures rose sharply during early January, causing sunburn on exposed bunches. The hot weather in January also accelerated the early cultivars' ripening dates, although we harvested more than a week later than in the previous year. Frequent high temperatures during February further contributed to harvest dates shifting sooner and harvesting returned to normal timing by the end of February. We didn't experience any crop losses nor any downy mildew and powdery mildew infections.

TASTING NOTES

Clean aromas of Asian pear, white honey, blossom and crushed chalk. Textured and detailed, the palate has a floaty feel, like club soda. Young quince, apples and melon abound, curving along a line of salted butterscotch to a deeper shade of waxy honeycomb. On the mid-palate the sensation of peaches and cream is run through with a lifted, lemony acidity as the wine crests into a citrus-toned finish.

WINEMAKING

A blend of Grenache Blanc / Piquepoul Blanc / Roussanne / Marsanne. The grapes were picked at different stages. The fruit was pre-cooled and whole bunch pressed before spontaneous fermentation took place. The wine was barrel fermented and aged in old 500L French oak barrels. A portion of the Grenache was whole bunch fermented for added texture and complexity. The components went through 80% malolactic fermentation. The wines were aged for 1 year in barrel prior blending and bottling and spent six months in bottle before release.

WINE ANALYSIS

ALCOHOL	13% Vol	pH	3,37
TOTAL ACIDITY	5,3 g/l	RESIDUAL SUGAR	3,2 g/l

WINE OF ORIGIN: PAARL | SOUTH AFRICA

VEGAN | VEGETARIAN | CORK & WAX SEAL | 2022
