

BROOKDALE ESTATE

MANOR HOUSE BATH MENU

FLORA CAPENSIS

The scent of the Cape of Africa and its floral kingdom inspired by a walk in the Cape mountains on a warm spring evening. A delicate botanical extract with rejuvenating, regenerative, toning, and antidepressant aroma-therapeutic properties

Created with essential oils indigenous to Africa such as Omumbiri (Namibia), Geranium (Malawi), Cape May (South Africa), Cape Snowbush (South Africa), African Wormwood (South Africa), Buchu (South Africa).

A CHOICE OF PRODUCTS

Bath oil

Add to your bath to soothe for dry skin and restore balance to your mind and body.

Foam bath

Add a cap while drawing your bath for delicately perfumed skin and a peaceful atmosphere.

Bath salts

Harvested from a remote part of the Kalahari Desert with minerals and nutrients to detoxify, restore health, open the pores and cleanse.

Magnesium fights stress while combating fatigue and sore muscles.

Potassium balances moisture levels in the skin.

Calcium regulates the water retention in the deeper layers of the skin.

Bromide soothes tired, sore muscles and ligament aches.

Sodium balances the lymphatic fluid in our bodies and moisture levels.
